**PARENT/GUARDIAN CONSENT FORM**  
Nomads Juniors

### **What is Nomads Juniors?**

Nomads Juniors is the youth rugby team of the Manila Nomads Rugby Club, developed in partnership with the British School Manila (BSM). Our vision is to foster a love for rugby and instill values of respect, discipline, teamwork, and sportsmanship in young athletes, helping them develop both on and off the field. We focus on rugby skills development, providing a clear pathway for young athletes to grow into competing athletes and potentially represent their country as national players. Our program is designed to unlock the potential of each player, ensuring they have the skills, knowledge, and mindset to succeed in rugby and in life.

### **The Nomads Juniors Training Program**

Under the guidance of select coaches, our custom-built training program caters to each age range, ensuring a fun, safe, and educational environment for all participants. The program aims to provide the best training and development opportunities for young athletes, ensuring they reach their full potential in rugby.

### **Player Development**

At Nomads Juniors, we focus on continuous improvement, starting from the baseline and working towards achieving measurable outcomes. Our player development program is focused on improving rugby skills and values formation, with an endline to measure change and achievement over time.

### **Benefits and Risks of Participation**

Participating in the Nomads Juniors program offers numerous benefits, including improved physical fitness, teamwork, and discipline, as well as the opportunity to be part of a supportive community. However, as with any sport, there are inherent risks involved, including the potential for injury. We take all necessary precautions to minimize these risks and ensure the safety and well-being of all participants.

### **Attendance**

Attendance at Nomads Juniors training sessions is completely voluntary. However, we recommend that your child attend as many sessions as possible. The more they attend, the more they learn, and the more fun they have.

### **Child Safeguarding Policy**

All management, staff, visitors, partners, and volunteers involved in Nomads Juniors activities are required to read, understand, and sign the [PRFU Child Safeguarding Policy](#) by the Philippine Rugby Football Union (PRFU) to ensure the safety and best interest of everyone involved in the program.

## Nomads Youth Rugby Program CHILD SAFEGUARDING CODE OF CONDUCT Nomads Juniors

The Manila Nomads Rugby Club is a member of the Philippine Rugby Football Union (PRFU) and abides by its Code Of Conduct and Policy for Child Safeguarding as provisioned in the [PRFU Child Safeguarding Policy](#).

All management, admin, coaches, staff, visitors, partners, volunteers, and parents involved in the Nomads Youth Rugby Program (NYRP) are required to read, understand, and sign this Code of Conduct to ensure the safety and best interest of everyone involved in the Program.

This Code of Conduct is an important part of your participation with the NYRP and commits you to practice the five (5) core values of rugby: Integrity, Passion, Solidarity, Discipline, and Respect.

The PRFU has identified 4 key principles, which all management, staff, visitors, partners, and volunteers must uphold to ensure the best interests of the child are always paramount:

- Rights – I must respect and champion the right of every individual to participate in sports.
- Relationships – I must develop a relationship with children based on openness, honesty, mutual trust, and respect.
- Responsibilities - personal standards – I must demonstrate proper personal behavior and conduct at all times in line with the Philippines Rugby Football Union child safeguarding policy behavioral expectations.
- Responsibilities - professional standards - in order to maximize benefits and minimize the risks to children, I must behave in a professional and proper manner to ongoing training that ensures safe and correct practice.

In order to ensure these principles are fulfilled:

Don't overload young players with demands, technical information, and tactics - remember they are children, and they are playing Rugby for FUN.

- Don't discriminate on the grounds of gender, race, color, disability, or religion. Do not treat some young people more favorably than others. Be mindful not to hold, kiss, cuddle, or touch a child in an inappropriate, unnecessary, or culturally insensitive way.
- Players develop at different times and in different ways - make allowances for their physical, emotional, and mental maturity and development. Ensure the activities you do are appropriate to the age, maturity, and ability of the players.
- Ensure equipment and facilities are safe and appropriate to the age and ability of the players.
- Ensure that contact skills are taught in a safe, secure manner paying due regard to the physical development of the players.
- Winning isn't everything - teach your players to enjoy taking part and performing to the best of their ability. Encourage each player to reach his or her potential.
- Never abuse, use physical punishment, shout at, criticize, or ridicule children. Do not cause a player to lose self-esteem by embarrassing, humiliating, hurting, or undermining them.
- Motivate your players through positive feedback and constructive criticism.
- Communicate behavioral expectations and child safeguarding commitments to players, parents, and fellow coaches.
- Ensure players' and parents' behavior is appropriate in keeping with the spirit of the game and in line with PRFU Child Safeguarding policy.
- Only take photographs, images, or videos with permission from the children, their families, and PRFU staff/partners. Ensure that the photographs, images, or videos of children, young people, families, or

community members are dignified and respectful and will ensure that children are adequately clothed in photos. Never use their images on the internet or public material without explicit consent, or use them in a way in which their location, identity, confidentiality, or dignity could be breached.

- Keep personal contact details confidential, including social media accounts, and do not ask for details of the child or family (this is to ensure that any contact is mediated by PRFU).
- Never develop physical/emotional/sexual relationships with the children.

You must inform the identified safeguarding focal point if you observe any concerning behavior from other people that may threaten the safety of anyone, particularly children. Send your report to [youthrugby@manilanomads.com](mailto:youthrugby@manilanomads.com).

Any breach of this Code of Conduct will result in a formal investigation which may lead to disciplinary procedures in line with PRFU Child Safeguarding policy.

#### **ACKNOWLEDGEMENT RECEIPT WITH UNDERTAKING**

I, \_\_\_\_\_, acknowledge that I have read and understood the [PRFU Child Safeguarding Policy](#) and agree to abide by it and follow expectations during any contact with children throughout my involvement with the Nomads Youth Rugby Program/Nomads Juniors. I understand that complying with these expectations helps the Nomads Youth Rugby Program/Nomads Juniors to ensure safe environments for children.

I must demonstrate a high degree of honesty, integrity, and competence. I understand that acting on these responsibilities is of critical importance to the NYRP, as is the need to safeguard the key concept of participation for fun and enjoyment, as well as achievement.

I hereby undertake to uphold the commitments outlined in this code of conduct.
